

## **Call for Proposals**

### **Mawachihitotaak (let's get together) Conference**

**May 4th-6th 2022**

Greetings relatives!

Over the past year visioning and planning has been underway for the Mawachihitotaak (let's get together) Conference that will bring together a diverse community of Métis thinkers. This gathering will take place in Winnipeg, Manitoba from May 4th to 6th, 2022 at the Winnipeg Art Gallery. Our intention is to create a space for Métis scholars, art makers, knowledge holders, students, language speakers, organizers, writers, and other community leaders to share knowledge and engage in conversation together. Through our visiting we will discuss a range of Métis priorities and scholarship areas, all while nourishing our relationships and celebrating the different forms that we are carrying and building Métis knowledge.

Deadline to submit proposals is January 10th, 2022 at 11:59pm CST. Please send your submission as an attachment in Word document format to [MawachihitotaakCFP@gmail.com](mailto:MawachihitotaakCFP@gmail.com)

#### **Who should submit a proposal?**

Métis thinkers from a range of disciplines and professions are encouraged to apply. This includes scholars and students working within Métis Studies and Indigenous Studies, and those whose work falls in fields that centre other knowledge systems. We also encourage contributions by Métis thinkers and creatives who engage with knowledge outside of academia. Diverse perspectives will help us convene a dynamic and generous thinking space that will broaden our individual and collective understandings.

Creating space for Métis people to share knowledge with one another is a priority for this conference. Other Indigenous relatives and non-Indigenous allies are welcome to come and engage in this space with us, however, Métis thinkers will be prioritized as presenters. Proposals must include a speaker bio(s), and a brief description of applicants' connections to the Métis Nation (see below for more details).

If you or someone you know is interested in being a part of the conference and would like support in putting together a proposal please let us know. Support requests and all other inquiries can be sent to [Mawachihitotaak@gmail.com](mailto:Mawachihitotaak@gmail.com)
